

New! Finance Connect

People's Premium Finance is now integrated with ePayPolicy's Finance Connect, enabling easier financing on your payment page.

Faster Financing, Without the Back and Forth

Integrated

Underwriting information pulls directly from your Agency Management System.

Automatic

Financing is automatically offered on every eligible invoice.

Effortless

Clients can review terms, sign a PFA and make a down payment all from the ePayPolicy payment page.

Built-in Benefits

- No additional cost to add Finance Connect to your ePayPolicy payment page.
- Clients can make a single payment to pay invoices in full and include the down payment for financed policies.
- All loans generated on the ePayPolicy payment page are accessible in your PPF portal.
